The Buyer is not, and has not, during the last five (5) years, been a party to a civil proceeding of a judicial or administrative body of competent jurisdiction, domestic or foreign, which as a result of such proceeding was or is subject to any order, judgment or decree, not subsequently reversed, suspended, or vacated, permanently or temporarily enjoining, barring, suspending or otherwise limiting involvement in any type of business, securities, commodities or banking.

To the best of its knowledge, none of the above-named directors and executive officers, during the last five (5) years, have been a party to such civil proceedings.

### **Item 3. Purpose of the Tender Offer and Plans or Proposals of the Buyer**

This offer is in line with the objectives of PAX to provide its minority shareholders with the opportunity to monetize their investment and divest of their shareholdings in the Company. Minority shareholders should be given this option mainly because PAX has been looking at various alternatives for about 2 years now to redeploy the cash reserves of the PAX Group (which are substantially held by the Buyer), and as of date, there are still no definite or attractive opportunities that have been identified.

At this time, there are no concrete plans or proposals which relate to or would result in an extraordinary corporate transaction, such as merger, reorganization or liquidation, involving PAX and its subsidiaries. Further, as of date, there are no plans or proposals which relate to or would result in the transfer of a material amount of assets of the PAX Group.

As of the date of this Tender Offer Report, the consolidated assets of PAX consist mostly of cash and these funds are placed in short-term money market investments.

The Board of Directors of PAX is considering to reduce the number of directors, after the completion of the tender offer. Aside from the foregoing, there are no plans or proposals which relate to or would result in a change in the term of the Board of Directors of PAX, or to change the material term of the employment contract of any executive officer.

As of the date of this Report, there are no plans or proposals which relate to or would result in: (i) any material change in the present dividend rate or policy or indebtedness or capitalization of PAX; (ii) any material change in the corporate structure or business of PAX; (iii) causing the Issued Shares to be delisted from the PSE; or (iii) causing PAX to no longer be subject to the reporting requirements of the Securities Regulation Code ("SRC") Rule 17.

Under the current PSE rules, if a company fails to comply with the minimum public ownership requirement, involuntary delisting procedures may be initiated. Thus, if as a consequence of the Tender Offer, the public ownership of PAX falls below the minimum prescribed by the PSE, PAX will have to apply for voluntary delisting with the PSE prior to the PSE instituting involuntary delisting procedures. If PAX is delisted, its shares will no longer be traded in the PSE and this could affect investors' ability to liquidate

their investments. Also, any capital gains tax generated from the subsequent sale or transfer will be subject to prevailing capital gains taxes. Subsequent sale or transfer of shares will also be subject to documentary stamp tax.

If as a result of the Tender Offer, PAX shall cease to be a reporting company as defined in the SRC and SRC Rules, AACSHL intends to cause PAX to take such steps necessary to terminate its reporting obligations under the SRC.

As PAX has maintained the minimum public float level of ten percent (10%) required by the PSE after the tender offer, PAX continues to be listed with the PSE and will continue to comply with its reporting obligations under the SRC.

#### **Item 4. Interest in Securities of the Issuer**

- (a) The aggregate number of shares of PAX which was the subject of the Tender Offer was Five Hundred Seventeen Million Six Hundred Ninety Thousand Eight Hundred Twenty Eight (517,690,828) common shares of stock representing forty five and 7/100 percent (45.07%) of the Issued Shares, to be purchased at the price of Three Pesos and 20/100 (PhP3.20) per share (the "Tender Shares"). The Buyer does not own or hold any beneficial interest in the Tender Shares.
- (b) There has been no transaction by the Buyer or any of the latter's directors or executive officers in the Tender Shares in the past sixty (60) days.
- (c) The Tender Offer period expired on 12:00 p.m. of 29 September 2014. A total of Three Hundred Forty Five Million Six Hundred Twenty Two Thousand Four Hundred Seventy Seven (345,622,477) shares were tendered.
- (d) The Tendered Shares were crossed on the PSE on 8 October 2014. Settlement for the Tendered Shares will begin no later than 13 October 2014.

#### **Item 5. Contracts, Arrangements, Understandings or Relationships with Respect to Securities of the Issuer**

As stated under item 1b of this report, the Buyer proposes to acquire all shares in PAX held by the PAX minority shareholders through the conduct of a voluntary tender offer. As such, there will be no subscription agreements since the Buyer and PAX do not and will not have a negotiated sale for subscription of the shares of the Company.

#### **Item 6. Materials to be Filed as Exhibits**

The following Tender Offer materials were be published, sent, or made available, by the Buyer, to the shareholders of PAX:

This offer is in line with the objectives of PAX to provide its minority shareholders with the opportunity to monetize their investment and divest of their shareholdings in the Company. Minority shareholders should be given this option mainly because PAX has been looking at various alternatives for about 2 years now to redeploy the cash reserves of the PAX Group (which are substantially held by the Buyer), and as of date, there are still no definite or attractive opportunities that have been identified.

The information package on the terms and conditions of the tender offer shall be made available to you by our tender offer agent, AB Capital Securities, Inc., upon the commencement of the tender offer.

PAXYS, N.V.  
Kaya W.F.G. (Jombi) Mensing  
36 Curacao  
Netherlands, Antilles

Attention: Mr. Tarcisio M. Medalla  
Managing Director

We are pleased to submit our findings in connection with our appointment as independent Financial Advisor to Paxys N.V. ("PNV") for the purpose of providing a fairness opinion on PNV's planned tender offer for Paxys, Inc. ("PAX" or "the Company") shares at a price of Php 3.20 per share.

We considered four (4) approaches in the valuation of PAX's common shares. These were:

## Relative Valuation Approach

The Company's assets consist of 89.71% of Cash and cash equivalents and another 4.04% are in Investments in available-for-sale financial assets. Since a significant part of the assets are placed in cash and available for sale financial assets rather than invested in operating companies, we deemed the Relative Valuation approach not to be applicable for our purpose as the operation of the Company is not comparable to that of other companies in the business process outsourcing industry.

## Discounted Cash Flow (DCF) Approach

The DCF approach assumes the company being valued is a going-concern and that revenue and income from operations is significant. Since the Company's assets are primarily made up of Cash and Investments, it cannot generate significant revenue and income from operations. We therefore deemed this valuation method inappropriate for our objective.

## Net Adjusted Value or Net Asset Value (NAV) Approach

To arrive at the Net Adjusted Value of the Company, we assumed that PNV would declare dividends to PAX to the extent of its undistributed retained earnings amounting to P2,996 million. The dividend payment would create a tax liability on PAX's side. The details are as follows:

### Estimated Incremental Tax Liability as of March 31, 2014

Paxys NV – Equity	3,419
Less: Cost of investment	422.7
Excess	2,996
Tax at 30%	898.9

After adding the P 898.9 million tax liability, the Net Adjusted Value decreased from P 4.546 billion to P 3.65 billion. On a per share basis that translated to a decrease from P3.96 per share to P3.18 per share.

## Market Value Approach

Since Paxys, Inc. is publicly listed in the Philippine Stock Exchange, we obtained its trading data for 2014. Its volume weighted average price (VWAP) from January to August 15, 2014 was P2.56. The VWAP for August 2014 alone was also 2.74.

The stock also displayed an average daily trading volume of Php 849,203 from January to August 15, 2014.

Based on market value, we valued the Company at P2.56 per share.

Month	Total Value Traded	Average Daily Value Turnover	Volume-Weighted Average Price
January	20,281,850	965,802	2.40
February	13,623,370	717,019	2.49
March	10,475,390	498,828	2.53
April	16,501,880	868,520	2.69
May	13,349,860	635,708	2.51
June	6,909,790	345,490	2.41
July	7,435,000	371,750	2.35
August*	40,501,770	3,681,979	2.74
2014 values	129,078,910	849,203	2.56

\* as of August 15, 2014

Presented below is a summary of the valuation results using the Market Value and NAV approaches. The range of values is from P2.56 to P3.18 per share, with an average value of P2.87 per share.

Method	Valuation
Market Value	2.56
Net Adjusted Value	3.18
<b>Average</b>	<b>2.87</b>

The range of values is lower compared to the intended tender offer price of P3.20 per share. The tender offer price pays a premium ranging from P0.02 to P0.64 per share or from 0.704% to 22.30% over the average value of the Company.

Given the foregoing findings, we find that the P3.20 per share offer price is fair to the Company's shareholders from a financial point of view.

It was a pleasure being of service to you and we assure you of our desire to be of service.

Very truly yours,

MULTINATIONAL INVESTMENT BANCORPORATION

## NOTICE TO STOCKHOLDERS OF TENDER OFFER FOR COMMON SHARES OF STOCK OF PAXYS, INC.

TO ALL STOCKHOLDERS OF PAXYS, INC.:

Please take notice that on 20 August 2014, Paxys N.V. (the "Buyer") filed a Tender Offer Report or Securities and Exchange Commission ("SEC") Form 19-1 (the "Report") with the SEC and the Philippine Stock Exchange, Inc. (the "PSE") pursuant to Section 19 of the Securities Regulation Code, as amended, for the acquisition of up to a maximum of Five Hundred Seventeen Million Six Hundred Ninety Thousand Eight Hundred Twenty Eight (517,690,828) common shares of stock (the "Tender Shares") representing forty five and 7/100 percent (45.07%) of the outstanding capital stock of PAXYS, INC. ("Paxys" or the "Company"), at an Offer Price of PHP3.20 per share (the "Tender Offer").

This offer is in line with the objectives of Paxys to provide its minority shareholders with the opportunity to monetize their investments and divest of their shareholdings in the Company. Minority shareholders should be given this option mainly because the Company has been looking at various alternatives for about two years now to redeploy the cash reserves of the Paxys Group (which are substantially held by the Buyer), and as of date, there are still no definite or attractive opportunities that have been identified. As of the date of the Report, the consolidated assets of the Company consist mostly of cash and these funds are placed in short-term money market investments.

The Tender Offer shall commence at 9:00 a.m. on 1 September 2014 and end at 12:00 p.m. on 29 September 2014 (the "Tender Offer Period"). The Tender Offer Period may be extended by the Buyer, subject to the prior approval of the SEC. Should any of the business days during the Tender Offer Period be officially declared a non-working holiday, the Tender Offer Period shall be extended by the number of business days corresponding to those days which are declared non-working holidays.

The Buyer's principal bank, Security Bank Corp., confirms that the Buyer has available resources for the full implementation of the Tender Offer. Tender Shares validly tendered to, and duly accepted for payment by, the Buyer are intended to be crossed at the PSE on the date no later than 8 October 2014 (the "Cross Date"). The Settlement Date shall be on the date no later than 13 October 2014. Check payments for Tender Shares duly accepted for payment shall be made available for pick-up by the tendering stockholder (the "Tender Seller") or its duly authorized representative, from AB Capital Securities, Inc. (the "Tender Offer Agent") at its offices between 9:00 a.m. and 3:00 p.m. on Settlement Date. When collecting payment, the Tender Seller shall be required to present the Application to Tender Shares (ANNEX "E" of the Report) (the "Application to Tender Shares") duly confirmed and accepted by the Buyer together with the proper identification documents. A duly authorized representative shall be required to present valid identification and an authorization letter from the Tender Seller.

Stockholders who wish to offer all or a portion of their Tender Shares should secure from, and submit a duly accomplished Application to Tender Shares to, the Tender Offer Agent at its offices located at Units 1401-1403, 14<sup>th</sup> Floor Tower One & Exchange Plaza, Ayala Triangle, Makati City, together with the documentary requirements.

Tender Shares being tendered for sale must be received by the Tender Offer Agent in scripless form not later than 12:00 p.m. of 29 September 2014. To ensure prompt receipt by the Tender Offer Agent:

## NOTICE TO STOCKHOLDERS OF TENDER OFFER FOR COMMON SHARES OF STOCK OF PAXYS, INC.

TO ALL STOCKHOLDERS OF PAXYS, INC.:

Please take notice that on 20 August 2014, Paxys N.V. (the "Buyer") filed a Tender Offer Report or Securities and Exchange Commission ("SEC") Form 19-1 (the "Report") with the SEC and the Philippine Stock Exchange, Inc. (the "PSE") pursuant to Section 19 of the Securities Regulation Code, as amended, for the acquisition of up to a maximum of Five Hundred Seventeen Million Six Hundred Ninety Thousand Eight Hundred Twenty Eight (517,690,828) common shares of stock (the "Tender Shares") representing forty five and 7/100 percent (45.07%) of the outstanding capital stock of PAXYS, INC. ("Paxys" or the "Company"), at an Offer Price of PhP3.20 per share (the "Tender Offer").

This offer is in line with the objectives of Paxys to provide its minority shareholders with the opportunity to monetize their investments and divest of their shareholdings in the Company. Minority shareholders should be given this option mainly because the Company has been looking at various alternatives for about two years now to redeploy the cash reserves of the Paxys Group (which are substantially held by the Buyer), and as of date, there are still no definite or attractive opportunities that have been identified. As of the date of the Report, the consolidated assets of the Company consist mostly of cash and these funds are placed in short-term money market investments.

The Tender Offer shall commence at 9:00 a.m. on 1 September 2014 and end at 12:00 p.m. on 29 September 2014 (the "Tender Offer Period"). The Tender Offer Period may be extended by the Buyer, subject to the prior approval of the SEC. Should any of the business days during the Tender Offer Period be officially declared a non-working holiday, the Tender Offer Period shall be extended by the number of business days corresponding to those days which are declared non-working holidays.

The Buyer's principal bank, Security Bank Corp., confirms that the Buyer has available resources for the full implementation of the Tender Offer. Tender Shares validly tendered to, and duly accepted for payment by, the Buyer are intended to be crossed at the PSE on the date no later than 8 October 2014 (the "Cross Date"). The Settlement Date shall be on the date no later than 13 October 2014. Check payments for Tender Shares duly accepted for payment shall be made available for pick-up by the tendering stockholder (the "Tender Seller") or its duly authorized representative, from AB Capital Securities, Inc. (the "Tender Offer Agent") at its offices between 9:00 a.m. and 3:00 p.m. on Settlement Date. When collecting payment, the Tender Seller shall be required to present the Application to Tender Shares (ANNEX "E" of the Report) (the "Application to Tender Shares") duly confirmed and accepted by the Buyer together with the proper identification documents. A duly authorized representative shall be required to present valid identification and an authorization letter from the Tender Seller.

Stockholders who wish to offer all or a portion of their Tender Shares should secure from, and submit a duly accomplished Application to Tender Shares to, the Tender Offer Agent at its offices located at Units 1401-1403, 14<sup>th</sup> Floor Tower One & Exchange Plaza, Ayala Triangle, Makati City, together with the documentary requirements.

Tender Shares being tendered for sale must be received by the Tender Offer Agent in scripless form not later than 12:00 p.m. of 29 September 2014. To ensure prompt receipt by the Tender Offer Agent:

The PSE Brokers holding common shares of the Company, should, upon receipt or knowledge of this Notice to Stockholders of the Tender Offer for Common Shares of Stock of Paxys, Inc., immediately notify the relevant stockholder. Should the stockholder wish to sell its/his/her common shares in Paxys to the Buyer, the stockholder must instruct the PSE Broker to electronically transfer its/his/her common shares to the Tender Offer Agent, as custodian for such shares, on or before 12:00 p.m. on 28 September 2014 and instruct such broker or custodian to complete, execute, and return to the Tender Offer Agent prior to 12:00 p.m. on 29 September 2014 the Application to Tender Shares in accordance with the instructions in the aforementioned Application to Tender Shares.
